

15TH. EUROPEAN COMPANY
WINTER SPORT GAMES
STRBSKE PLESO, HIGH TATRAS, SLOVAKIA

17.-19. 3. 2023

DISCOVER SLOVAKIA, MEET EUROPE! WELCOME TO STRBSKE PLESO.

After a break of three years, Strbske Pleso is again ready to host the 15th European Company Winter Sports Games, that were cancelled in 2020 due to the pandemic.

We are back in the game and we believe that the event with the trust of the European Federation for Company Sport will cherish the sport and healthy lifestyle in the business communities. This is a great opportunity to get together, to unite and to explore Slovakia.

We look forward to corporate sportsmen / sportswomen from all over Europe and we prepare a weekend full of sporting and social activities. Those interested in extended stays will be offered supplementary program.

SUPPLEMENTARY PROGRAMME

For those who want to arrive to Slovakia earlier and enjoy its hospitality longer you can choose additional program-facultative trips or favourable skiing not only in Strbske Pleso but also surrounding ski resorts in High Tatras. Additional program for participants with earlier arrival is not covered by the organizer.

Supplementary programme for a fee:

Experience dinner on the slope – Tatranska Lomnica

Skalnate Pleso – trip by cable car

Ice Dome – Stary Smokovec

Individual skiing with preferential ski passes Individual use of the cross-country ski stadium - free of charge
Prices for supplementary programme will be created shortly.

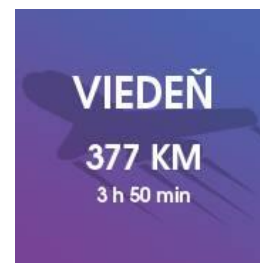

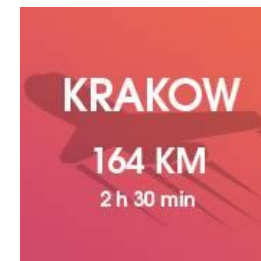

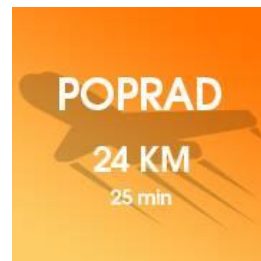

TRANSPORTATION

How to get there

Strbske Pleso is located near a motorway (Vienna – Bratislava – Kosice) and the international rail route. It can be reached from the valley by well-maintained roads as well as by mountain railway.

The nearest airports providing regular flight connections to major European cities are Kosice (approx. 1.45 hrs), Krakow in Poland (2.30 hrs.) and Bratislava (3.15 hrs.). Vienna international airport is 377 km away (3.50 hrs.), and Budapest international airport is 295 km away (3.55 hrs.). A smaller local airport is located just 24 km away in Poprad (0.25 hrs.), though has a limited number of regular flights.
